

Public School Vacancies

Employees can view a listing of vacant teaching, school service personnel and administrative positions from school districts throughout the state, and submit resumes for consideration by school districts seeking to fill vacancies, at the Illinois Education Job Bank ("IEJB"), sponsored by the Illinois State Board of Education and Illinois Association of School Administrators. One can reach the IEJB through the ISBE website (www.isbe.state.il.us), by clicking on "Announcements" under "Teachers A-Z Index", then click on "Educator Vacancies" on the left-hand side of the screen.

Continuation of IEA-NEA Membership

Frequently IEA-NEA Legal Services has been the key to ensuring that the contractual and statutory rights of RIF'd employees are honored. RIF'd employees may maintain their legal protection, along with all other rights and benefits of active membership in the IEA-NEA, at half dues. This special dues rate is available so long as they are eligible to be recalled or for three years, whichever is longer.

PreK-12 Teacher Reduction In Force Rights

ILLINOIS EDUCATION ASSOCIATION-NEA

K-12 Teacher Rights and Responsibilities

RIF (Reduction In Force) Notice

The School Code requires that written notice (sent certified mail or personal delivery with receipt) of an honorable dismissal or reduction in hours/days of employment (RIF) of a tenured teacher because of a decision to decrease the number of teachers or discontinue some type of teaching service must be given at least 60 calendar days before the end of the school term. While the Code does not require the same RIF notice for non-tenured teachers, it does provide that such teachers receive at least a 45 calendar day notice if they are non-renewed — which can include RIF-related non-renewals. The term “teacher” includes all district personnel regularly required to be certified (e.g. school nurses, social workers, etc.).

Seniority

In a RIF, non-tenured teachers are to be dismissed prior to tenured teachers. Among tenured teachers, those with the shorter length of continuing service with the district shall be dismissed first, unless an alternative sequence is established by a collective bargaining agreement or an affirmative action plan. Seniority lists are required to be established by Feb. 1 of each year, categorized by positions and showing the length of continuing service of each teacher who is qualified to hold any such positions, unless an alternative method of determining a sequence of dismissal is established by collective bargaining agreement or affirmative action plan. It is the responsibility of the employees to review these lists carefully and bring any inaccuracies to the attention of the district as soon as possible, or within any timetable set out in the contract.

Bumping Rights

RIF'd tenured teachers have the statutory right to bump less senior tenured teachers, or non-tenured teachers if the tenured teacher is

legally qualified to teach all the courses taught by the less senior tenured or non-tenured teacher. Non-tenured teachers do not have a statutory right to bump, but may have such rights in a collective bargaining agreement or district policy.

Recall Rights

RIF'd tenured teachers have the statutory right to be recalled. If a position that a teacher is legally qualified to teach becomes vacant within one calendar year from the beginning of the following school term (unless a longer period has been bargained), the vacant position must be offered to the teacher. These recall rights will last for two years if the number of honorable dismissals based on economic reasons that occurred at the time the teacher was RIF'd exceed 15 percent of the number of full-time equivalent positions filled by teachers and other non-supervisory certificated staff during the preceding year. Collective bargaining agreements could give non-tenured teachers recall rights.

Payment of All Earned Compensation

The district is required to pay a RIF'd teacher all earned compensation within three days following his/her last day of employment.

Unemployment Compensation

RIF'd employees have the right to receive unemployment compensation benefits after they receive their last paycheck. They must meet the statutory requirements for eligibility (able to work, available for work, and seeking work — contacting three prospective employers a week). Benefits are based on a formula that takes into account the size of the family and amount of wages last earned.

Health Insurance

RIF'd teachers have the right to continue their health insurance coverage under COBRA (18 months for employers with 20 or more employees) and/or the Illinois Health Insurance Continuation Law (nine months for all employers). The employer is required to notify the health insurance carrier of any RIFs and then the health insurance carrier is required to send official notice to the teachers and any covered dependents, providing them the opportunity to elect continuation coverage. Teachers (or their dependents) have 60 days after receipt of the notice to elect coverage. The carrier can charge the employee up to 102 percent of the regular premium for the cost of the continuation coverage. For those employees who are RIF'd between Sept. 1, 2008 and Dec. 31, 2009, the American Recovery and Reinvestment Act of 2009 may provide the right to have some of the COBRA premium cost covered. Please consult with your UniServ Director regarding this right.

The federal Health Insurance Portability and Accountability Act (HIPAA) requires that an employer provide to an employee a certificate of prior creditable insurance coverage when the employee ceases to be covered by the employer's health insurance plan, becomes covered under COBRA and when COBRA coverage ceases. This certificate of coverage may reduce or eliminate any pre-existing condition waiting period that the teacher's next employer may have in its health insurance policy. A teacher has 62 days from the cessation of prior coverage to enroll in another health insurance program to take advantage of this reduction or elimination of pre-existing condition waiting periods.
