

## **HJR 54 (Kay) PARCC Assessment Use**

### **SUPPORT**

**Rationale for Support:** The Illinois Education Association supports the Illinois Learning Standards (Common Core) but advocates for a moratorium on accountability measures related to the Partnership for Assessment of Readiness for College and Careers (PARCC) exam.

HJR 54 encourages school districts to not use results of the PARCC exam as a determining factor for making decisions about a student's educational opportunities, the evaluation of educators, and the allocation of resources based on education achievement for the 2014-2015 school year through the 2017-2018 school year.
